EXPERIENCE

JACOBS TECHNOLOGY

BIRKENHEAD

UI DESIGNER

JULY 2017 - PRESENT

I'm currently specialising in User Interface design where I work closely with the UX team creating hi-fidelity prototypes. After thorough testing, I then work with the development team to help code these using the React framework.

FREELANCE

GRAPHIC DESIGNER

DECEMBER 2016 – JULY 2017

Continued to work on and off with Stride Studio on a freelance basis as well as working on design projects for personal clients.

STRIDE STUDIO

WATERGATE STREET, CHESTER

GRAPHIC DESIGNER

AUGUST 2015 – DECEMBER 2016

Worked on web design, branding, motion graphics, video editing, interior graphics and various print marketing materials for a broad range of clients.

IS GROUP

FLINT, NORTH WALES

GRAPHIC DESIGNER / PRINT OPERATOR

FEBRUARY 2015 – AUGUST 2015

In-house designer for a local signage company. Duties involved designing and art working large format signage for various retail clients. Responsibilities also included setting up and using large format printers. I developed a valuable understanding of various print processes and signage solutions during my time here.

ICE CREATES

BIRKENHEAD

GRAPHIC DESIGNER

FEBRUARY 2014 – OCTOBER 2014

Working on creative campaigns to encourage behavioural change for NHS services and local authorities. I often worked independently and to tight deadlines on a variety of print and identity projects, one of which won the 2015 Ogilvy Nudge Award in World Behavioral Science.

VIEW CREATIVE DESIGN AGENCY

RHOS-ON-SEA, NORTH WALES

GRAPHIC DESIGNER

JUNE 2012 – DECEMBER 2014

Worked as part of a small design team, where I designed and executed a variety of print and web designs for a diverse range of clients.

EDUCATION

GLYNDWR NORTH WALES SCHOOL OF ART AND DESIGN

Graphic Design BA – First-Class Honours – 2012
